DETAILS

CONTRACT DURATION: 1 year (and beyond!)

DAYS / WEEK: 3 (or more!)

WHO ARE WE LOOKING FOR?

We are looking for a team player to help talk the UX talk and walk the UX walk. You will join a tight team of dedicated designers who are passionate about design and user experience. We love making a positive difference with the work we do and we hope that you do too!

Using our Informed Design process and design research methods you will take part in and lead brainstorming sessions; invent and introduce new ideas with clear user task flows and the optimal user experience in mind; work with the team to execute ideas into final visual and interaction designs and ensure that the work produced is accurate and error-free for our clients.

As a senior designer you will lead client meetings, and liaise with partners (developers, printers, etc.).

You may also work with our creative director to create/initiate the creation of Pivot content for the blog and for client worksessions.

Please only apply if you meet the qualifications.

WHAT ARE YOUR QUALIFICATIONS?

- 4-5 years of working design experience +
- degree from a 3-4 year design programme
- A portfolio that demonstrates interaction design (sketching, user personas, IA, wireframing, prototyping, etc.)
- A portfolio that demonstrates fluency in leading design with design research methods and user-driven design solutions
- Proven creative thinking and problem solving skills to create usability driven interfaces

...AND THE USUAL

- Adobe Creative Suite
- Microsoft Office
- Proficiency in industry standard IxD tools (Omnigraffle/Sketch/etc.)
- Mac-based environment
- Ability to work independently and with a creative team in an open and playful space
- Basic knowledge of HTML, CSS, wordpress is an asset
