

JUNIOR / INTERMEDIATE DESIGNER NEEDED

Pivot Design Group is looking for an enthusiastic junior designer that is creative, has strong design skills, and an eye for detail. As a valued member of Pivot's team, you should be reliable, comfortable working independently or within a team, not afraid to ask questions and willing to pitch in where needed.

REQUIREMENTS

As a junior designer, you will be working with the creative team to ideate creative concepts and assist in execution. As such, you will be required to source imagery, contribute to the production of presentations, and support other staff as needed.

INTERESTED?

Send a PDF of your resume and portfolio to work@pivotdesigngroup.com. Thank you to all applicants, but only those selected for an interview will be contacted.

ABOUT PIVOT

Pivot's mission is to help our customers strengthen their products and services through the use of a three phase process: discover-ideate-activate. With insight, imagination, and impact, we deploy informed design to create high-impact user experiences.
